Scope

The Mobile and Broadband Expenses Policy – India applies to all employees on the payroll of HCL Technologies Limited and its subsidiaries located in India. It outlines communication expense entitlements and the procedures for employees to access them.

Policy Statement

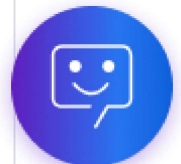

HCLTech understands that **communication** plays an integral role in driving efficiency and productivity, especially in today's hybrid work environment. Effective communication plans not only allow us to meet professional commitments but also enable us to stay connected. This Policy establishes clear guidelines and criteria for employees to utilize various communication mediums effectively in meeting business needs.

For new Company provided data card and mobile connection requests, users must accept the terms and condition on the Disclaimer page in the Admin Asset issuance application. Below are the important aspects of the disclaimer.

HCLTech is committed to protecting your personal data and respecting your privacy rights. This notice applies to employees in India and provides information on how their personal data is processed in relation to their request for the issuance of a data card or mobile sim card by HCLTech.

This notice should be read in conjunction with HCLTech's Global privacy policy available on intranet under Policy Studio..

The requestor must agree with the GWS data card helpdesk to share their Aadhar card details as proof of address & proof of Identity followed by their personal contact number available on ESS page,

Your Policy Buddy

Back to top

with the Telecom service providers (Airtel & Vodafone-Idea). This has become a mandatory statutory compliance from the Department of Telecom, Govt. Of India (DOT) .

After the request raised by the requestor in the Admin Asset portal is approved, the service provider (Airtel, Vodafone-Idea) will share a Digital KYC link on their personal contact number. The requestor must update the same details of POA (Proof of Address) and POI (Proof of Identity) under the KYC link, which they have updated in the AAI portal.

Once digital KYC is completed through given link, GWS Data Card Helpdesk team will coordinate with service providers for the activation of Data Card/ Mobile SIM. The requester will be informed by Data Card helpdesk team to collect the device from nearby HCLTech Facility within 15 days'.

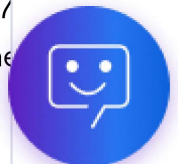

Please refer FAQ section for any further queries.

Important Notice: Starting January 28, 2022, employees may only seek reimbursement for cell phone expenses linked to the number declared or updated in the ESS.

Communication Plan Details

The table below lists the entitlements for Communication Plans according to the bands, effective November 1, 2021:

Communication Plan	Band Covered	Mobile Reimbursement Limit per Month	Data Card/Broadband Reimbursement Limit per Month	Inclus
CP1	E5 and above	Rs. 353	Rs. 1,050	E5-E7 Phone Cell Data or Broad Usage Data is

Your Policy Buddy

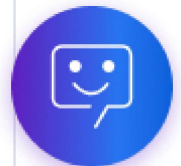

Back to top

				issued the Comp
				E8 above Phone Cell Data or Broad usage
CP2	E3 and E4	Rs. 353	Rs. 650	Cell Phone Cell Data or Broad Usage Data is issued the Comp
CP3	Up to E2	Rs. 353	Nil	Cell P and Data Usage

The COVID-19 Business Continuity Plan Entitlements Available Till June 30th, 2026

- Employees can claim Rs. 350 in addition to existing claim limits for mobile plan upgrades or broadband connections.
- Employees in Bands E0 to E2 (CP3) can claim up to Rs. 650 per month for broadband expenses, along with the aforementioned Rs. 350.
- These additional claims are only available for employees approved for remote work by their managers on the iTime tool

Your Policy Buddy

Back to top

between March 9, 2020, and **June 30, 2026**.

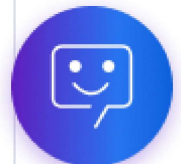

- Reimbursement should be made through the Global Claim System (GCS) for connections registered in the name of the employee or an immediate family member.
- Employees using prepaid connections during this period can also claim reimbursement.
- These entitlements may be extended beyond **June 30th, 2026**, subject to management review.

Additional INR 350 Example

Under the COVID-19 Business Continuity Plan, employees in the CP2 category can either claim up to Rs. 703 (353 + 350) for cell phone or up to Rs. 1,000 (650 + 350) for Broadband.

General Guidelines and Details

- From September 1, 2022, employees with Company-provided data cards are not eligible to claim broadband expenses under COVID-19 exceptions.
- For more details, refer to the FAQs section. Employees in E0, E1, and E2 bands are not automatically entitled but may be included in CP3 if necessary for business purposes.
- Employees in E3 and above who have not been provided data cards by the Company can claim broadband expenses within specified limits.
- Costs for equipment such as cell phones and landlines for broadband connections are the employee's responsibility.
- Direct line phones in HCLTech offices will be made available for employees on business demand, subject to approval from the respective L4 leads.
- Company-owned mobile connections will only be provided to employees in the E7 band and above.
- The use of facilities under this policy is assumed to be for official purposes only.
- Communication expenses can be claimed through the GCS.
- Reimbursement claims made through the GCS must be for connections registered in the employee's name, not a prepaid connection.
- Reporting managers will approve claims for employees up to the E2 band; self-approval is permitted for bands above E3.
- All bills must be claimed within three months of the bill date. In case employee would want to claim more than 3 months backdated bills those requests will be handled with exception

Your Policy Buddy

Back to top

subject to the approval matrix in the Policy and this will be capped for a maximum 6 month backdated period.

- For e.g. – If employee is raising claim in the month of Dec, he/she will be able to raise for Sep to Nov month with regular approval matrix and further 3 months from May to Jul will require exceptional approval.
- Employees can claim only one cell phone and one broadband connection.
- No reimbursements for residence phones are provided; employees with company-owned residence phones should convert them to individual accounts.
- Claims exceeding specified entitlements due to international calls must be claimed separately through the GCS and will be exceptionally approved.
- No reimbursements can be made for international roaming.
- Corporate employees in C1 and C2 bands have no claim limits and can self-approve reimbursement requests.
- Freshers who are undergoing training will be eligible to avail this benefit, subject to approval from their Reporting Manager.
- Reimbursements are available within the limits defined under the applicable communication plan. These limits are set by the Company and may vary depending on your band. Please note that charges for any additional or value-added services included in broadband or mobile bills—such as OTT (Over-the-Top) subscriptions, caller tunes, or similar services—are not eligible for reimbursement and should be excluded from the claim amount.

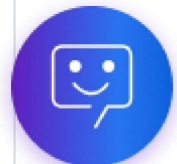

CP3 Plan – Pre-Authorisation Requirements effective 1 April 2026:

- Employees covered under the CP3 plan must obtain separate pre-authorisation for cell phone and broadband claims.
- This requirement is applicable for a period of one year, even if the claims fall within the approved entitlement limits.
- Additionally, for any claim that is older than three months, employees must obtain exceptional pre-authorisation for each such claim, regardless of whether the claim amount is within the approved limits.

Note: This Policy may be withdrawn with changes in employee roles.

Service Provider Details

The Company has negotiated corporate plans with Service Providers to offer optimal benefits to employees. Details about these plans are available at the service provider kiosks within our facilities. Employees

Your Policy Buddy

Back to top

can either opt for a Company-negotiated plan to access Corporate User Group (CUG) benefits or choose a plan from the market. In both cases, reimbursement is capped at the band-wise entitlement outlined in the Policy. We offer international calling packs from both Airtel and Vodafone, with country-specific discounted ISD rates. In India, the monthly ISD pack cost is Rs. 50 for Airtel and Rs. 55 for Vodafone.

Service Provider Contact Information

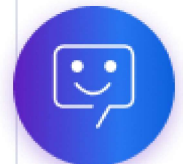

Service Provider Name	Toll-Free Number	Email IDs
Airtel	121	hcl@airtel.com
Vodafone	199	corporatecare.india@vodafoneidea.com

To reach the Data Card helpdesk, contact Datacardsupport@hcltech.com

Exceptions

No exceptions will be made to the mobile reimbursement limits. However, we understand that unique situations may arise due to business needs. For such exceptional cases, claims will be approved according to the following table:

Communication Plan	Approving Authority (Effective November 1, 2021)
CP1	Reporting Manager (RM)
CP2 / CP3	L4 Delivery Head

Process

Cell Phone Number Update

To declare or update your cell phone number under ESS, follow the path as mentioned below:

MyHCLTech >> MyProfile(ESS)>> Communication

Raise a Data Card Surrender Request

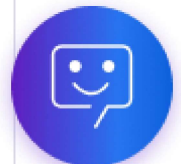

- Go to MyHCLTech and search for the AAI (Admin Asset Issuance) portal on App Search.
- Click on "My Assets" to review the declared asset, and then click on "Surrender/Replace" under Action accordingly.
- Verify the details, mention remarks, and then click on the "Surrender" button.
- After submitting, the request will go for approval to the Central Admin.

For further action, please reach out to the Facility In-Charge.

FAQ

Q1.What personal data we process?

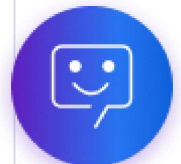

For the purposes of this Statement, 'Personal Data' means any information about you from which you can be identified, whether derived from that information on its own or when combined with other information, that We or another party may hold about you.

Types of data collected and processed: personal information required for the purposes for issuance of the data and sim card include contact and identity information such as name, Sap ID, title, personal email address, phone number, address and Aadhar number.

Q2. Why do we process your personal data?

We process your personal data for specified and lawful purposes only and in accordance with the applicable laws. The above listed personal information is required to fulfill your request for data card and sim card provisioning and to comply with know your customer requirements mandated by Department of Telecom (DoT), India.

Q3. With whom we share your personal data?

Your Policy Buddy

Back to top

Depending on your selection of the telecom service provider such as Airtel, Jio or Vodafone, your personal data will be shared with the respective provider to enable the provisioning of the sim card and for initiation of the KYC process.

Q4. How Long Do We Retain your Personal Data?

We retain your personal data for as long as it is necessary to fulfil the purposes for which it was collected i.e. till the time you are using the sim/ data card. The data may be retained for longer to comply with any applicable legal or contractual obligations.

Q5. How do We safeguard your personal data?

We use a range of security measures to protect your personal data from unauthorized or unlawful access, loss, disclosure, or alteration, including technical, organizational, and physical measures. We have sufficient controls, policies, procedures, and the guidance in line with industry best practices and information security standards such as ISO27001 etc. to ensure the security of personal data is maintained at all stages of its lifecycle.

Q6. Whom to reach for more information on data privacy?

For any privacy related queries, you can write to privacy@hcltech.com. For exercising your rights, you can visit and submit your right request at [Data Subject Request](#)

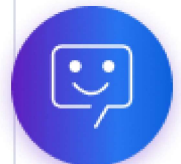

Q7. How can I switch my plan from the current one to a new one?

Visit the provider kiosk at HCLTech premises to change plans, as these are IoT (Intercom over IP) connections and plan change requests must be made by the owners.

Q8. I haven't claimed my expenses since before the new mobile reimbursement rates were introduced. Will they be reimbursed based on the previous rates?

Yes. If the Policy was launched effective July 1, 2019, employees can claim expenses at the previous rates up to July 31, 2019.

Q9. I have a data card issued by HCLTech. I still haven't claimed broadband expenses for a bill from July 2022. Can I claim the broadband expenses now?

Your Policy Buddy

Back to top

Yes, you can claim the expense since it is prior to September 2022.

Q10. Can I claim bills from September onwards for broadband?

If you do not have a Company-provided data card, you can claim broadband expenses.

Q11. I want to surrender my data card. How can I do that?

You can surrender the data card to the GWS team or courier it to the following address if you are not at your CWL:

Communication – Data Card Team

HCL Technologies Limited

ODC-3, Ground Floor, Tower-4,

Sec-126, Noida-SEZ, 201304(U.P.)

Shift Cell No. 8448014400 (Timing 08:00 AM to 09:00 PM)

The cost of the courier will be billed to employee Project Cost Center.
